All job postings are featured as PDF's on the AEHIA Job Postings webpage. If submitted as a Word document, your post will be converted to a PDF before it goes live to AEHIA members.

All submissions must include the following:

- Title of vacant position
- Organization name
- Primary location individual will be reporting to
- Application instructions
 - Name and email address to contact
 - Website link to apply

Since this is featured behind AEHIA member login, a screen shot (similar to the one above) will be forwarded to you via email to see your post and let us know of any immediate changes. This also serves as your record of your post date. Job positions are posted for 30 days.

Non-AEHIA Members: There is a \$395 charge for posting with AEHIA as a non-AEHIA member. You must be an AEHIA Foundation partner or a provider organization with an active AEHIA member to waive this fee.

Non-Qualifying Position: A \$500 fee is processed for posting job positions that fall outside of AEHIA membership qualifications. For information on membership qualifications, click [here](#).

If your position falls outside of both AEHIA membership and qualifications, you will only be responsible for the \$500 fee.

**Billing information and payment will need to be provided before your position is posted.*
